MANAGEMENT OBJECTIVE 経営目標

The Basic Policy on Profit Distribution to Shareholders

株主還元方針

当社は、株主のみなさまに対して経営の成果を適切に配分するため、安定的な配当の維持を株主還元の基本方針としております。

しかしながら、2012年度は過去最大の赤字決算となり、極めて厳しい収支状況が続いており、また、先行きについても、経営環境は依然として不透明です。このような状況のなか、財務体質の健全性の確保に取り組むことが優先課題と考え、誠に遺憾ながら、2012年度の配当ならびに2013年度の中間配当を無配とさせていただきます。

今後、原子力プラントの再稼働、電力の安全・安定供給の確保および徹底した経営効率化に全力で取り組み、収支の回復に努めてまいります。

To appropriately share the results of its business operations with its investors, Kansai Electric Power has made the stable payment of dividends a core part of its basic policy for returning profits to shareholders.

However, with the largest-ever deficit having been recorded in FY 2012, we have continued to face an extremely challenging revenue situation, and considerable uncertainty regarding the future of the business environment remains.

Given this, and given the need to place a high priority on maintaining the financial soundness of the company, Kansai Electric Power, regrettably, decided not to pay any dividend in FY 2012 or an interim dividend in FY 2013.

Going forward, we will diligently work to restore a balanced budget by pouring all of our efforts into restarting our nuclear power plants, ensuring the safe and stable supply of electricity, and improving business efficiency.
