Our Group Business

当社のグループ事業

当社グループは、これまでも電気を中心とする総合エネルギーや情報通信、生活アメニティ関連などのグループサービスを組み合わせたトータルソリューションをご提供し、お客さまや社会のさまざまなニーズにお応えしてきました。今後も、お客さまに当社グループをお選びいただき、エネルギー新時代におけるグループの新たな成長を実現するため、総合エネルギー事業を中核に、当社グループ会社のサービスに加え、他企業とのアライアンスにより、お客さまの立場に立った安心、快適、便利なサービスを幅広くお届けすることで、「くらしとビジネスのベストパートナー」をめざします。

As a universal provider of electricity and other forms of energy, as well as various information and telecommunications (IT) services, and with a lineup of businesses providing amenity services in daily life, the Kansai Electric Power Group meets diverse customer needs, providing comprehensive solutions to individual customers and communities. In order to have customers choose our group and to realize further growth in the new energy era, we will continue to focus on being "the best partner in daily life and in business." Along with the services of our corporate group companies, including comprehensive energy supply as our core, we will do this by providing a wide range of services that provide security, comfort and convenience from the customer perspective through alliances with other businesses.
