We have decided to push back our Announcement of Financial Results for the Fiscal Year ending on March 2020 that was scheduled for April 28, 2020, to May 12, 2020. The extra time is needed in order to properly prepare the report under the extraordinary conditions caused by COVID-19 pandemic and the state of emergency declared by the Japanese government that has forced our company personnel to work from home in order to prevent the spread of infection.

We apologize for the inconvenience and concern this may cause to our shareholders, investors and all related parties, and appreciate your understanding in this matter.
