Notification

(Report the decision of specific measures and the progress of the business improvement plan)

We offer our most sincere apologies for the inconveniences and concern placed upon our customers, shareholders, investors and other parties involved regarding issues such as company executives and employees receiving cash and gifts from external stakeholder.

In response to the Business Improvement Order issued against The Kansai Electric Power Co., Inc. (KEPCO) on March 29, 2020 under the Electricity Business Act in connection with this issue, KEPCO developed a business improvement plan for recurrence prevention on March 30, 2020 and reported the decision of specific measures to prevent reoccurrences and the progress of them to the Ministry of Economy, Trade and Industry on June 29, October 13, 2020 and March 2, December 27, 2021.

For the detail of the progress of the Business Improvement Plan, please refer our website. We will ensure the implementation of those measures. And then we will follow up the implementation in light of external objective perspectives and if we need, we will add the improvement measures. All officers and employees will make best efforts for recovery of trust, with an unwavering resolve to create completely new KEPCO.

(The inspection by the Japan Fair Trade Commission)

We were inspected by the Japan Fair Trade Commission (hereafter the "JFTC") based on the Antimonopoly Act, on suspicion of the restricting to acquire customers in extra-high voltage and high voltage power service on April 13 and July 13, 2021. On this occasion, we accept the fact that the inspection was conducted in a solemn manner, and we will fully cooperate with the inspection of the JFTC.

Depending on the progress of this matter, this could affect our consolidated financial results. However, it is difficult to estimate the impacts rationally at present, and we do not reflect the impacts to our consolidated financial statements and forecasts.
